THAT having examined the Contractors and other Certificates delivered by the Committee of the Legislature to the Auditor, on the 16th November last, have separated and made a Registry of such as should be charged to the United States, and have examined the Contractors Certificates which were received in Payment of Taxes by John Stevens, jun. Esquire, late Treasurer, have endorsed, filed and registered them.

That among the said Certificates we find ten Papers containing Accounts against the United States, Appraisements of Things taken by the American Army, and Receipts given to the Persons who have furnished the said Army with Supplies, amount to £. 18 in Specie, and £. 1465 7 6 in Continental Currency, and one Surplus Certificate not signed by any Person for £. 1 0 8 Specie, which Papers we conceive to be improper Vouchers, and therefore have not registered, but lay them before the House for their Perusal and Direction.

They further represent, that among the said Certificates were intermixed Receipts from the several Contractors to the County Collectors, for Contractors Certificates by them received agreeably to Law, which Receipts it appears have been handed forward in Discharge of the Taxes due from the several Counties, and the Certificates yet remain in the Hands of the Contractors, the Propriety of their continuing with the Contractors your Commissioners submit to the Legislature; at the same Time suggesting it as their Opinion, that they ought to be brought forward and registered with those already on Hand, the more effectually to check the Accounts of the said Contractors. With the above Papers they found also a Number of Surplus Certificates, which they endorsed and filed.

Your Commissioners further beg Leave to report, that they have examined the Certificates lodged in the Auditor's Office by the present Treasurer and others; have separated, registered and filed such as ought to be charged to the United States; and registered, endorsed and filed the Contractors Certificates; and separated, filed and marked the Surplus Certificates, they having already been endorsed and signed by Samuel Tucker and James Ewing, Esquires.

BENJAMIN SMITH,
MASKELL EWING, junior.

With

Resolved, That the Papers described in the second Paragraph of said Report be committed to the Committee appointed to settle the Accounts of Mr. John Stevens, jun. late Treasurer; and that the Contractors Receipts, mentioned in the above Report, be delivered to the Auditor of Accounts; and that he be directed immediately to write to the Superintendent of Purchases, requiring him, on or before the first Day of June next, to transmit or deliver to him all the Certificates in the Hands of the Contractors which they have received from the County Collectors; and that, upon receiving the said Certificates, the Auditor do deliver up to him the aforesaid Receipts; and that the Auditor, on receiving those Certificates, do register them in the Books provided by and in the Manner in which such Certificates have been registered by the above Commissioners.

'To the Honourable Lambert Cadwalader, John Cleves-Symmes and Josiah Hornblower, Esquires, Delegates representing the State of New-Jersey in Congress.

'GENTLEMEN,

'**W**E, the Representatives of the State of New-Jersey in Council and Assembly met, think it a Duty we owe to our Constituents, particularly at the present Crisis, to apprise you of our Sentiments on certain Subjects of high publick Concern.

'The Legislature of this State, early in the late Revolution, represented to Congress their Ideas on fundry Parts of the Confederation, and, among the Rest, on the general Subject of Commerce and Duties upon Trade. You ob-

‘ serve these entered on the Journals of the 25th of June 1778. At that Time the publick Debt was not an Object of so great Attention, otherwise doubtless it would have been first in their Thoughts upon the Appropriation of those Duties. When the Revenue-System of the 18th of April 1783 was passed in Congress, we were then in Hopes that our Situation, between two commercial States, would no longer operate to our Detriment; and that those States, and others in their Predicament, were at Length convinced of the selfish and palpable Injustice of subjecting others to their Exactions, and their applying those Exactions to the Augmentation of their respective private Revenues.

‘ The same contracted and destructive Policy that hath long subsisted still continues; and as we are convinced that neither the publick Credit can be supported, the publick Debt paid, or the Existence of the Union maintained, without the Impost-Revenue in some beneficial, effective Manner, it has become our Duty to instruct you,

‘ To vote against each and every Ordinance, Resolution and Proceeding whatsoever, which shall produce any Expence to New-Jersey, for the Promotion or Security of the Commerce of these States, or any of them, from which neither the Union in general, nor this State in particular, derives any Advantage, until all the States shall effectually and substantially adopt and carry into Execution the Impost above mentioned.

‘ You will see, by the above Representation, that the Legislature of this State have uniformly held the same Justice of Sentiment respecting the Vacant or Crown Lands, as they were formerly called, relative to which you are instructed,

‘ To vote against each and every Ordinance, Resolution and Proceeding whatsoever, which shall tend to charge this State with any Expence for acquiring, gaining Possession of, or defending such Territory claimed by, or which is to accrue to, the exclusive Benefit of any particular State or States, and not to the Union at large.

‘ The Legislature has beheld, with much Concern, Gratuities, Advances of Money, and partial Payments, made by Congress to importuning Creditors and others, not regulated by any general and equal System, which not only impoverish the Treasury, but produce Discontents, and furnish bad Precedents;

‘ You are therefore instructed not to assent to any such Payments, or to the Payment of any particular Debts, other than foreign Loans, in Preference to others of a like Nature, whereby a Discrimination of Creditors may take Place. It were well if the Publick could pay all promptly, but as that is impracticable, it is absolutely necessary to act upon settled uniform Plans in paying as far as the Revenue can extend.’

The Bill, intituled, ‘ An Act to enable Andrè Michaux to purchase Lands in the State of New-Jersey under certain Restrictions,’ was read a second Time, and ordered a third Reading.

THE Committee of both Houses, appointed to settle and ascertain the Balance due the State from John Stevens, junior, late Treasurer, report,

That a final Adjustment of the Accounts directed to be settled by your Committee cannot, at present, be accomplished for the following Reasons:

A Number of Orders have been drawn by the late Treasurer on different Collectors, the Payment whereof this State has, by a Resolution of both Houses, assumed; that some of these are yet out-standing, the Amount of which, as it is not ascertained, cannot by your Committee be charged against the said Mr. Stevens, until they are produced in the Treasury for Payment.

The unsigned Certificates, described in the Report of a Committee the 16th November last, have been delivered by the Auditor into the Hands of Mr. Stevens, and their Authenticity has not yet been proven. Some of the Papers, committed to your Committee the 20th of February last, are not authenticated;

and the Validity of others must, in the Opinion of your Committee, depend on the Authority the Persons signing them might have had to issue Certificates, and which must be submitted to the Commissioner appointed to settle the Accounts of this with the United States.

Your Committee therefore, not having the Means of investigating the preceding

Your Committee farther report, that in the Credit allowed Mr. Stevens, in the preceding Account, is included an Order drawn by said Stevens on Isaac Vanderbeek, Collector of the County of Bergen, in Favour of Azariah Dunham, Esquire, Superintendent of Purchases, for £. 48,000 Continental Currency, which Order has been received by the present Treasurer in Discharge of Arrears of Fines and Taxes due from said County: But it appearing to the Satisfaction of your Committee, and of the said Vanderbeek, that the said Order has been previously credited to the said County by Mr. Stevens; that there is also credited, in the above Account, the Sum of £. 51 12 1, credited by said Stevens to Henry Garritse, Collector of the County of Essex, on an Order drawn on said Garritse in Favour of Daniel Marsh, Esq. for £. 179 3 4, which has also been credited by the present Treasurer; your Committee therefore submit to the House the Propriety of admitting the Charges made by Mr. Stevens for the Credit he has given on the above Orders.
